

YOUR MOON SIGN - **Taurus**

TAURUS

Leo is a fire sign, which is lively and royal. Moon here in the house of friend is happy. You are fond of adventure and have strong risk taking abilities. Strong determination and will power is your real wealth. You are highly ambitious and often combine your strong determination and daring approach to get big success. This determination sometimes turns to an obstinate attitude where you deny to even listen to any body. Stability of your thoughts and actions establish you as a reliable person. You need to be careful regarding your digestive system as occasional stomach disorders may trouble you. You possess a good duty sense, which motivates you for consistent efforts. You are a keen observer and quiet sharp in reactions. You are very decisive and usually come up with right decision at right time. You usually don't prefer to go for second opinion and take decision on your own. The aristocracy of your nature also makes you generous. You help others with a desire to be acknowledged and thanked. You achieve what you want to but after a lot of obstacles and hurdles.

Year 2018:

This year has special achievements in store for you. With the end of first phase of Sadhe Saati of Saturn continuing for the last two and a half years, you would feel some relief in the first quarter of the year. These achievements would be just a consolation, as your important works would not get much acceleration. You would be in the state of indecisiveness for the first 2-3 month. This is the period of financial stress also. Conditions would improve in the second quarter and you would continuously be motivated towards productive works.

In April 2007, when Saturn and Jupiter both would be retrograde, you may come across some problems regarding repayments of your loans. Health of mother needs special care. Disharmony at home would keep you disturbed but things would improve in May and you would get co-operation from people around you. If you are in partnership business gains are expected or you may get partnership proposals. Domestic conditions would now improve and you would be in search of new means to increase your income. Second half of July is comparatively fine but with new expenditures. September, October are better regarding financial aspect which would help you in expanding the work. Expenditure is likely on real estate and you would get the co-operation of government agencies. Time is favourable for father and you would be in the position to do something for him. If you are in job these months are favourable for you. These months demand check on temperament and tongue lashing or you may have to face the ill results. Pilgrimage or leisure visits are expected. By the end of September ratio of gains would increase.

Last quarter of the year is very important when income and expenditure would go hand in hand. In December gains are likely from matters related to real estate. Fortune will be favoring you this time but your opponents would also be active and you may notify end to the on going disputes. Your children may be undergoing instability of thought and chanting of Sun would help them.

January: - In the beginning of the month you would get some of your important works done but under financial stress, which would keep you tensed. Health of the spouse would be a matter of concern and the irritability of the nature may intensity the problems. Exchange of sign between Mars

and Jupiter is auspicious for your children. Heavy expenditure is expected in the last week of the month but new subjects may enter your life.

The second week of the month may bring some disharmony. Your subordinates may not cooperate with you and you may be forced to compromise. Third week of the month is although favourable yet unnecessary expenditure would create worries. You would find things out of your control. Your working style would get appreciation. You may not be able to dominate your opponents but no harm is indicated. Third week would be very hectic. Time is favourable for your spouse. Some minor health troubles may spoil one or two working days. In the last three days of the month you would be very busy with your public relations and now would be in mood to get gains from them. Invitation of a good party is expected.

February: - In the first week there may be some worries especially regarding the health of your father. You should not expect much support from co-born. In some matters your words would be given weightage. Works in the name of your life partner would yield profits. In the middle of the month you may come across some bitter and disharmonious moments. Even at professional front there would be difference of opinion with almost everyone. If you want to get control over the circumstances you have to check your temperamental shoot ups. Money management at this time would be very difficult and you may not succeed in getting things done upto your expectations. If you are in job, latter half of the month is favourable. Lot of care is needed at home as retrograde Saturn may start a period of discontent and difference of opinion. This would remain till the latter half of the month. Some professional disputes or dispute with influential officers at this time is expected which may give negative results later on.

March: - Financial condition at this time would be a little disturbed. If you are in business, money management for professional works would be difficult. All this would lead to tensions and stress at work place. You should not show any negligence at this time as there are chances of being cheated by someone. At this time Mars would be transiting 6th house and Sun 8th house from the Moon sign indicating some minor injury or wound. Journeys may also be uncomfortable.

An encouraging note is the quadrant position of Jupiter from Moon sign which would prove to be a safeguard against every problem. Co-operation from government agencies, senior and influential people of the society is expected. Planetary position indicates rise in your status. Someone lower than your status, may create problems for you and you should be vigilant to save this.

Be very balanced in your behavior to protect yourself from unnecessary allegations. Old disputes of property may not get any solution. In the latter half of the month one big obstacle would subside and your works would get acceleration.

April: - Problems are comparatively more in the first half of the month and in the second half their intensity would dilute. You may either have sudden monetary gain or may get a big assurance. Jupiter and Saturn in retrograde motion would create obstacles everywhere. This difficult phase would continue for 15-20 days, after which things would get to normal gradually.

Your mode of working would bring appreciation for you. A good support is expected either from father or from a government officer. Ketu transiting your Moon sign may give some pessimistic and escaping feelings. Your spouse would render moral support to you. Stubborn atmosphere at home would keep you little disturbed.

Health of mother may be a matter of concern. Distant journeys away from native place are expected. More care is needed regarding food intake. In the latter half of the month Venus transiting constellation Rohini may confer a professional success on you along with lot of honors.

May: - This period indicates some financial problems which would intensify with unexpected expenditures. You may have to spend some amount for your own safety. Mars transiting 8th to your moon sign indicates some blood ailments and also temperamental shoot ups. An act done in haste may make you repent for a long time. There may be some worries regarding mother's health. Frequent journeys are indicated but money management for these journeys would be difficult.

Ancestral disputes if any would intensify now and solutions would be far off from your

approach. You may have to face awkward conditions when honors and allegations would go parallel. Time is very auspicious for children and their performance would be very much satisfactory.

Food habits should be checked as acidity problems are indicated. Elder co-born would perform exceptionally well as time is very auspicious for them. You may have to face obstacles in almost every work. Last week of the month indicates some monetary gains which you may invest for work expansion. Try to pass this period carefully and patiently as time has mixed results for you.

June: - You may feel enthusiastic this month and would execute all your works with full energy and concentration. The effect of Sadhe Saati is about to end and lowering stress at work place. Resources for financial gains would increase.

After a long time, you would feel like reviving all your contacts and relations, the best part is that they would also feel the same. Partnership offers are expected and you may not be very rigid in accepting them. Jupiter is now favourable and would bless you with honors and status. Your opponents may be active but aspect of Jupiter on 10th house from your Moon sign is a safe guard. Cluster of planets near your Moon sign is an indication of your good performance this time. In the latter half of the month you may experience increase in your income and expenditure. Either you would invest in land or may initiate some construction work. Co-born may have monetary gains. You may get some good proposals regarding your work. Your status is likely to increase.

July: - First half of the month would confer monetary gains whereas in second half much expenditure would be awaiting ahead. Journeys are expected, out of which one or two may be very uncomfortable. It is better to defer important decisions as decisions taken under provocation may create problems. Mars and Mercury are very favourable and would increase the ratio of gains but at the same time they may cause temperamental shoot-ups.

Elder co-born would be comfortable. Mother's health needs special care. Be more co-operative to spouse as she may be undergoing a period of stress. Once again balance between income and expenditure would be a problem.

Purchase of household luxury items is likely. Last week of the month may bring some mental worries as Venus and Saturn under the influence of Ketu may give some pessimism. An incident may bring some tensions but by the end of the month you would feel relieved. You would get opportunity to enjoy with your friends and would spend money willingly.

August: - First half of the month has series of expenditure but second half would not only bring relief from expenditure but would increase the percentage of good results. You would feel enthusiastic and would give acceleration to your works. Income is likely to increase but aspect of Mars on Sun transiting your Moon sign would give temperamental shoot ups. Bile or blood pressure problems may arise.

Matters related to real estate may become prominent. You would either invest in land or may have gains from such dealings. New partnership proposals are likely and if there is any existing one, you can expect gains out of it. Rahu transiting in own constellation may motivate you for some risky investments. Mother would enjoy a good time but father may have some minor health troubles. A distant journey probably pilgrimage is expected and you would spend on religious activities.

September: - There would be a change in your working style and your working hours would increase in the first week. Rise in income is expected and you will take risks at professional front. Sun and Mars both are indicating towards your self centered, money oriented plans. Distant journeys and support of government officials would be profitable. In one of your partnerships, profit ratio would increase and you would get sudden income. In the middle of month planetary position is improving and you will get profits from more than one source. Mercury is favourable and wants to bless you with auspicious results in financial matters. Jupiter and Mars are also favoring you and want to bless you with profits through land or assets.

This time is also auspicious for initiating in marketing or trading business. Distant journeys are indicated and you should avoid involvement in legal matters. Third week of the month would be of rise in fortune and gains would be unexpected.

Profit ratio will rise high now. Government official will help you. Expenditure is likely on household luxury items. The end of month would be full of auspicious results. Your status and reputation will rise high. You should avoid such type of activities, which are considered to be breach of law as Rahu, Ketu and Mars are inspiring you towards such actions.

October: - In the first week of month Sun, Moon and Mercury are favoring you and want to inspire you take and implement bold decisions. In sudden enthusiasm you would not be able to differentiate between right and wrong, you should avoid stubbornness of your behavior.

Middle of the month is important for financial matters as Mercury in retrogression wants to change the scenario yet sources of income would increase now. You would execute your plans intelligently, to earn more profits.

Third week of the month is very important as sun is in good position to bless you with profits. You would feel, relieved from previous tensions. Expenditures are likely on small professional journeys. You have to exhibit your skills in getting back your own money. Much hard work is the requirement of present time.

Time is not much auspicious for elder co-born. Father's health would also be a matter of concern. Your father would face some difficult time regarding his status and reputation

November: - In the first week of the month inflow and outflow of money would be at the same pace. Transit of Venus in her sign of debilitation may cause problems at work place. Your inclination would be towards some artistic field. One of your wrong decisions may create bitter conditions which may settle down after the second week of the month. Co-borns need to be more careful, as time is not good for them. Third week is better when you would take one or two good decisions. This time is favourable for children also. You would receive co-operation from new people. Increase in income and status is also indicated. This is the time when fortune would favour you and you may get some encouraging proposals. You can go ahead with these proposals.

December: First week of the month is going to be favourable from financial aspect. Some ups and downs at work place may happen but Jupiter would now safeguard you from every odd. Distant journeys are expected which would help increase your income. If you are in job and expecting promotions, time is all yours. Co-borns would be tensed due to over expenditure. Check your food habits to avoid stomach ailments. Some good invitations are likely this month. You may plan to invest money in land. One of your children may face some physical problem. You should chant Mars or Hanumanji for relief.

Third week of the month is much favorable. During this period Mars and Saturn both are retrograde; hence you should avoid any risk taking.
